## SKILLS

#### Communication & Customer Service:

Able to help customers find what they're looking for, as well as notify team members regarding store/studio/equipment conditions.

#### Visual Storytelling & Attention to Detail:

There's a story in everyone and everything that's worth being told, big and small. From script writing, shot planning, to the shoot and final edit, the little things don't just matter, but add up. No stone gets left unturned!

#### Problem Solving:

No shoot or project has also ever been 100% "straightforward", and often requires even more creative solutions.

#### Technical Skills:

Proficiency with cameras, photo & video editing softwares, and many other aspects of & content creation & production.

## HOBBIES, CLUBS & EXTRACURRICULARS

**Photography/Videography:** I take my camera(s) almost everywhere. Love shooting artsy still photos, fun youtube videos, and the occasional freelance photo/video gig.

**Distance Running:** Part of *Belmont U & We're Not Really Runners* Run Clubs. Currently training with the ultimate goal to qualify for the *Boston Marathon by 2030*.

**Ultimate Frisbee:** player on a mixed (co-ed) frisbee with the club team at Belmont, *Hucked on a Feeling*, as well as occasional local pickup games in Marietta GA, and Brentwood TN.
