- Shoot photos of events/day to day campus happenings for Belmont's Flagship Instagram
- Assist production and post-production of videos for various campus departments
 - Office of the University President, L. Gregory Jones
 - Office of the Provost
 - Office of Admissions
 - *A Moment that Matters with Dr. Jon Roebuck*

SKILLS

Leadership: Learned through growing up in Scouts BSA

Communication & Customer Service: Able to help customers find what they're looking for, as well as notify team members on store/studio/equipment conditions.

Problem Solving: No shoot or project has ever been 100% "straightforward", and often requires even more creative solutions.

Technical Skills: Proficiency with cameras, photo & video editing softwares, and many other aspects of & content creation & production.

HOBBIES, CLUBS & EXTRACURRICULARS

Photography/Videography: I take my camera(s) almost everywhere. Love shooting artsy still photos, fun youtube videos, and the occasional freelance photo/video gig.

Distance Running: Part of *Belmont U & We're Not Really Runners* Run Clubs. Currently training for the Run Nash Nashville Half Marathon (Oct 25th).

Ultimate Frisbee: player on a mixed (co-ed) frisbee with the club team at Belmont, *Hucked on a Feeling*, as well as occasional local pickup games in Marietta GA, and Brentwood TN.

Belmont University Asian American Association: As a member of the AAPI community, it's important to advocate at large via community building between each other, as well as other minority groups.
